11.1.1 System

The ranking for that Challenge will be taken from the 5 best results in different events (two best girl results, two best boy results and the fifth result – boy or girl). Each of these 5 results will give the team the number of points equivalent to the place of the player in the event. There is a bonus of -1 point for the youngest category (under 9 years old).

Example: 1st in the category of 9 years old and younger = 0 points, 2nd in 2003 and younger = 1 point etc...
